There are sometimes when Bollyland comes to the rescue... I mean that in the serious most way. I think its time to look at how this land and its cool peeps do more than just save the day by entertaining us folks... They save people... Somy Ali, my friend who now lives in Florida is a gem of a human being... IN EVERY SENSE of the word!

So cool is she that shes saving one woman at a time for a cause that can only make me admire her every day. Originally from Karachi, Pakistan, actress and model, Somy Ali moved to Bombay, India where she worked in 10 Hindi films and several commercials...Consequently today after a successful university career, Somy Ali has
